S6 – determining if a residential is an Optional Extra with examples & additional sources of funding e.g. trusts. S7 – participation is determined by payment.	April 2015
5	Introduction updated to reflect that many more schools have community facilities and this policy does not apply to charges for them and to reflect that "first pay, first served" access to trips is discrimination against low income families.	February 2016
6	Introduction updated to define remission and give examples; S9 – clarification that secondary schools must include a school milk scheme section if any pupils are up to and including the age of 18 <i>and</i> are entitled to free school meals.	April 2017
7	Reviewed 3/11/2021	
8	Minor corrections in yellow – removed that we can publish a list of costs a year in advance. Removed charging for project materials.	Sept 2022
9	Nursery sessions are from 8.30am to 11.30am or 12pm to 3pm. There is a half hour charge for care between 11.30 and 12pm for children who wish to stay for lunch, as this exceeds the core 30 hour offer.	October 2022
10	No legal changes but significant updates to include new sections on responsibilities and nursery fee principles. No highlighting due to major reorganisation to cut content and improve clarity. Right click on the contents page to update fields after removing inapplicable sections.	September 2023

1 Policy Scope

Sections 449 to 462 of the [Education Act 1996 \(legislation.gov.uk\)](https://www.legislation.gov.uk) and [The Education \(School Sessions and Charges and Remissions Policies\) \(Information\) \(England\) Regulations 1999 \(legislation.gov.uk\)](https://www.legislation.gov.uk) set out the law on charging and remissions for school activities in England and require schools to have a policy on charging.

[The Education \(Charges for Early Years Provision\) Regulations 2012 \(legislation.gov.uk\)](https://www.legislation.gov.uk) sets out when charges can be made for some early years provision.

This policy is based on the law and Department for Education (DfE) guidance [Charging for school activities - GOV.UK \(www.gov.uk\)](https://www.gov.uk).

This policy does not apply to charges made and determined by other organisations offering activities and services on the school premises e.g., a community club that hires our hall to meet in and charges its members to attend.

1.1 Aims

This policy aims to ensure that:

- All pupils have full and free access to a broad and balanced curriculum regardless of their family's financial means.
- This school is transparent about the activities or items that can be charged for and when charges will be made, or remissions offered.
- We recognise our responsibility not to place undue pressure on family finances for example, by giving good notice about charges and by not offering activities on a 'first to pay, first served' basis.

1.2 Definitions

Charge: a fee payable for clearly defined items or activities.

Half-day school session: any period of 12 hours ending at noon or midnight (p9, DfE, 'Charging for school activities', 2018).

Remission: the cancellation of a charge which would normally be payable.

School hours: the hours when school is in session and which do not include the lunch break: Nursery – 8:30am – 11:30am 12:00pm – 3:00pm, rest of school 8:40am – 12pm 1:00pm – 3:10pm

1.3 Associated policies and procedures

The following policies and procedures may impact the implementation of this policy:

- Educational Visits Procedures
- Single Equality Scheme
- Hire Procedures

2 Roles and responsibilities

2.1 The Governing Body/Trust Board

The Governing Body/Trust Board has overall responsibility for approving the Charging and Remissions Policy and delegates this to the Staffing and Finance Committee

The Governing Body/Trust Board also has overall responsibility for monitoring the implementation of this policy.

2.2 The Headteacher

The Headteacher is responsible for ensuring staff are familiar with the Charging and Remissions Policy and that it is being applied consistently.

2.3 Staff

The Charging and Remissions Policy and how to implement it is included in the induction of new staff and the senior leadership team will provide updates or refresh training as necessary.

Our staff are responsible for:

- Implementing the policy consistently.
- Notifying the headteacher of any specific circumstances which they are unsure about or where they are not certain if the policy applies.

2.4 Parents and carers

Parents and carers are expected to notify staff or the headteacher of any concerns or queries regarding the Charging and Remissions Policy.

3 When no charges will be made

3.1 Education

There will be no charge for:

- Admission or applications for admission
- Education provided wholly or mostly during school hours (including the supply of any materials, books, instruments or other equipment)
- Education provided outside school hours if it is part of:
 - The National Curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at this school
 - Religious education

3.2 Transport

There will be no charge for:

- Transporting registered pupils to or from the school premises, where the local authority has a statutory obligation to provide transport
- Transporting registered pupils to other premises where the governing body/trust board or local authority has arranged for pupils to be educated
- Transport that enables a pupil to meet an examination requirement when he or she has been prepared for that examination at this school
- Transport provided in connection with an educational visit

3.3 Educational visits

There will be no charge for:

- Education provided on any visit that takes place during school hours
- Education provided on any visit that takes place outside school hours if it is part of:
 - The National Curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at this school
 - Religious education
- Supply staff to cover for those staff who are absent from school accompanying pupils on a residential visit.

4 Voluntary Contributions

When charges do not apply, parents and carers may be asked for a voluntary contribution towards the cost of some of the educational opportunities that we offer such as:

- On site enrichment activities, educational visits and the associated transportation and other costs
- Specialist equipment
- General school funds to improve opportunities.

From time to time, we may invite outside organisations such as production companies to deliver an activity during the school day. Such organisations may wish to charge parents, who are entitled not to pay any fee and instead to ask the headteacher to agree to their child being absent/taught elsewhere in school for that period. In many cases, however, parents and carers will not be charged and will be asked for a voluntary contribution towards the cost of the activity instead.

All requests to parents and carers for voluntary contributions will make it clear that the contributions are voluntary and that there is no obligation to pay. Pupils whose parents or carers do not contribute will not be treated differently or excluded.

However, the Governing Body/Trust Board reserves the right, to cancel activities if not enough voluntary contributions are received.

5 When charges will be made

This school may recover the full costs of some items and activities, but charges will not exceed the actual cost for:

- Any materials, books, instruments, or equipment, where a pupil's parents or carers have indicated in advance that they would like their child to own the items or finished products. No pupil will be disadvantaged if they do not or cannot take up the opportunity to own items or finished products.
- Non-attendance "without good reason" of any public examination that incurs a fee.
- Optional extras
- School meals (nursery children)
- School milk scheme
- Before and/or after school care (provided off site)
- Certain early years provision.

Reasons for and the procedures for handling these charges are described in more detail below.

5.1 Optional Extras

There are charges for

Education that takes place outside school hours if it is **not** part of:

- The National Curriculum
- A syllabus for a prescribed public examination that the pupil is being prepared for at this school
- Religious education
- Extended day services offered to pupils (for example breakfast club, lunchtime and after-school clubs, tea and supervised homework sessions where this is run under the responsibility of the governing body

In calculating the cost of optional extras an amount may be included for:

- Any materials, books, instruments, or equipment provided in connection with the optional extra.
- The cost of buildings and accommodation
- Non-teaching staff.
- Teaching staff engaged under contracts for services purely to provide an optional extra, this includes supply teachers engaged specifically to provide the optional extra.
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra.

Any charge made in respect of individual pupils will not exceed the actual cost of providing the optional extra activity, divided equally by the number of pupils participating. Families on a low income who are unable to pay such charges should speak to Michelle Coulthard, Office Manager, about remission in complete confidence.

5.2 Music tuition

A charge will be made for vocal and musical instrument tuition for either an individual pupil or groups of any appropriate size when it is provided at the request of the pupil's parent.

National charging guidance will be followed, and no charge will be made in respect of a pupil who is looked after by a local authority (within the meaning of section 22(l) of the Children Act 1989).

5.3 School Meals

School meals are available to pupils at a cost of **£2.70** per day or free of charge to the pupils of families entitled to free school meals.

Families can find out how to [Apply for free school meals - GOV.UK \(www.gov.uk\)](http://www.gov.uk) or they can apply directly to their home Local Authority at [\[insert link\(s\) e.g., Citizen Portal - Sign in \(cumberland.gov.uk\)\]](http://cumberland.gov.uk). Families needing help to do this can ask at the school office.

To enable our school meals service to be planned efficiently, we need advance notice of a pupil's requirements and ask for **[insert notice period]** to start or stop receiving a school meal.

Payment for school meals is required in advance. [\[Link to or insert here the current payment terms and methods accepted\]](#).

If a pupil's entitlement to free school meals has expired, a parent or carer must provide a packed lunch or make advanced payment for any school meals to be taken.

If a pupil arrives at school without payment or a packed lunch, we will use their emergency contact information to find out if suitable arrangements have been made. School is not obliged to provide a meal without payment and when there is no entitlement to a free school meal so, we will act promptly to address financial issues at an early stage when we can, to prevent arrears accumulating.

If no arrangements are in place, we will ask parents or carers to bring to school a suitable packed lunch or the cost of a school meal before lunchtime. In special circumstances we might accept payment on the next school day.

Where our efforts to resolve payment problems within the same school week fail, or where a persistent debt has arisen the following procedure applies.

[Insert persistent meals debt procedure]

We are committed to working together to find suitable payment plans for parents and carers in financial difficulties, and anyone experiencing this should speak to the Head teacher in the strictest confidence. We may be able to signpost families to extra government or community support in the immediate or short term.

Where no attempt is made to clear a debt, we will take appropriate debt recovery action in accordance with our normal financial procedures (see section 7 for more information).

5.4 School milk scheme

Under [The Requirements for School Food Regulations 2014 \(legislation.gov.uk\)](http://legislation.gov.uk) all schools must make lower fat milk or lactose reduced milk available to drink at least **once** a day during school hours or the lunch break at a fair cost or free of charge to all pupils who are entitled.

[Delete if not applicable] Up to one third of a pint of milk is available to all children free of charge, regardless of their family circumstances up to the age of 5.

[Delete if not applicable] When a child has their 5th birthday, a small charge will be made towards the cost of continuing to provide this single portion of milk to those parents and carers who want their children to continue receiving it.

Children who have reached the age of 5 and have not yet reached the age of 19 can continue to receive up to one third of a pint of milk free of charge if their family has been able to successfully [apply for free school meals - GOV.UK \(www.gov.uk\)](http://www.gov.uk).

In the case of infant pupils who are entitled to a universal infant free school meal, milk must be offered free to those pupils if it forms part of the school lunch. If milk is offered at any other time during the school day instead, it will only be free for those infants who have an underlying income-related entitlement to free school meals.

A parent or carer who wishes their child to receive more than one portion of milk per day must pay the full cost of each additional portion, even when their first portion is free due to an entitlement.

For more information about our milk scheme and the current charges, please see www.coolmilk.com or ask at the school office.

5.5 Before and/or after school care

Breakfast and After School Wrap Around Care is provided by Ashfield Junior School. Charges will be made for childcare services offered to pupils.

The fees and any remissions are set and reviewed by the Governing Body no less than annually. For information about current childcare charges please see <http://www.ashfieldjuniorschool.co.uk/school/fun-club-wrap-around-care/>

5.6 Certain early years provision

[Government funding covering the cost of delivering 15 or 30 hours a week of free, high quality, flexible childcare for children aged 3-4 years and for some 2-year-olds does not include the cost of meals, snacks, consumables such as nappies or sunscreen, additional hours or additional services such as trips or outings for which there will be charges.

If children stay for the lunchtime period between the morning and afternoon nursery sessions lunch can be ordered via the School Grid website.

Additional hours and services will be charged at the current hourly rate where hours are not fully funded as Early Education by the local authority. This includes the lunchtime period between sessions.

For our current session times and rates please ask at the school office. Charges for additional services such as trips will be agreed in advance with families.

The free entitlements will be delivered consistently so that all children accessing any of the free entitlements will receive the same quality and access to provision, regardless of whether they opt to pay for additional hours and/or services.

We will not charge a deposit to secure a child's free place and there is no requirement to pay a registration fee as a condition of taking up a child's free place. We will also not charge 'top up fees' to recoup the difference between the amount received from the Local Authority and the current hourly rate.

5.7 Damage to property and breakages

The school will attempt to recover some, or all the costs incurred repairing wilful or culpably negligent damage or breakage of school property or property belonging to a third party where the school has been charged. The actual amount will be determined by the headteacher.

6 Calculating charges and remission

The principles of best value will be applied when planning activities that incur costs to school and/or charges to parents and carers.

When charges are made for activities, they will be based on the actual costs incurred, divided by the total number of pupils participating. There will be no levy on those who can pay to support those who can't. Support for cases of hardship will come through applicable funding such as pupil premium money, specified voluntary contributions and fundraising.

In some circumstances, school may not charge for items or activities set out in section 5 of this policy. This waiving of charges is called remission. It will be at the discretion of the Governing Body and will depend on the reasons for the charges and the circumstances of the recipients.

Pupils who are looked after by a local authority or whose parents or carers are receiving specified benefits are entitled to full remission of some charges outlined in Section 5. This entitlement is subject to change but usually equates to pupils being eligible for free school meals except when they are an infant only eligible under the universal infant free school meal scheme. To find out which benefits are specified and eligible for full remission, see information on how to [Apply for free school meals - GOV.UK \(www.gov.uk\)](https://www.gov.uk).

Charges for other 'chargeable activities' may also be fully or partly remitted. Where appropriate governors can approve the use of the delegated budget and other funding streams such as Pupil Premium to allow 'chargeable activities' to be fully or partly remitted

Details of any remission arrangements will be made clear when parents and carers are informed of charges for individual activities.

6.1 Non-residential activities

Where the majority of time spent on a non-residential activity is *within* normal school hours, the charging regime will be as if it happens *fully within* school hours and no charge will be made. The majority of time is defined as 50% or more. Parents or carers may still be asked for a voluntary contribution.

Where the majority of the time spent on a non-residential activity is *outside* of normal school hours, the charging regime will be as if it happens *fully outside* school hours i.e., the activity becomes an 'Optional Extra' and charges will be made unless it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at this school, or part of religious education. The majority of time is defined, in this case, as more than 50%.

Travel time is included when considering the time spent on an activity only when it occurs during school time (see definitions).

6.2 Residential activities

Parents and carers will be charged board and lodging for a pupil to attend a residential visit unless remission is granted.

To cover any other costs associated with a residential visit e.g., transport, activity tuition, for which charges cannot be made, they will be asked to make a voluntary contribution. No child will be denied the opportunity of attending a residential (if it is not an Optional Extra) if their parents or carers do not contribute voluntarily.

If not enough voluntary contributions are received to cover the costs of a residential, governors/trustees reserve the right to cancel it.

Charges will be made to cover all residential visit costs only where the visit is deemed to be an 'optional extra' because the number of half-day school sessions missed by the pupils taking part totals less than half of the number of half-days taken up by the activity (see definitions). In such cases, parents and carers will be told how the charges were calculated.

Example 1

Pupils are away from noon on Wednesday to 9pm on Sunday. This counts as 9 half days including 5 school sessions, so the visit is deemed to have taken place during school hours.

Example 2

Pupils are away from school from noon on Thursday until 9pm on Sunday. This counts as 7 half days including 3 school sessions, so the visit is deemed to have taken place outside school hours.

7 Debt recovery

Our financial management policy requires all services provided by us to be paid for in advance so it is expected no significant debts will accrue. In the event that debts are accrued, the Governing Body/Trust

Board has authorised all reasonable measures to be taken to collect debts as part of its management of public funds. In doing so they will observe the relevant financial regulations and any other legal requirements.

Staff whose role it is, will follow school procedures to secure the collection of all debts.

A debt will be written off only after all reasonable measures (commensurate with the size and nature of the debt) have been taken to recover it. Only debts below that allowed for in the annual funding letter issued by the Secretary of State may be written off. The recovery of any sums above this amount will be referred first to the Governors/Trustees and then to the Secretary of State for approval. If any debtor has a number of debts that together exceed the write-off limit, then these will be treated as a total amount.

Unless a decision to write-off a debt is demonstrably a reasonable course of action authorisation is in place to initiate legal or other action to recover debts.

A formal record of any debts written off will be maintained and retained for 7 years.

8 Arrangements for monitoring and evaluation

To ensure we achieve the aims of this policy the Staffing and Finance Committee will monitor its impact.
